

The Lima YP Needs YOUR support!

The Lima Young Professionals is a diverse group of business professionals, under the age of 40, who work or live in the Lima area. The mission of the Lima YP is to **attract** professionals to the area and **retaining** those already living within our community. We are a not-for-profit group that is completely unique to our region – there is no other YP within the county and immediate surrounding counties! Starting in 2006 with 15 members we've grown to nearly 125!! **We need your help!** Sponsors allow us to run this unique program!!

If you are only interested in sponsoring an event, you can do that below, or you could be our program's "best friend!" Please mark your selections on the last page and return to the Chamber of Commerce. To learn more about the Lima YP, feel free to contact Jacquelyn @ the Chamber of Commerce.

Thank you for your consideration and we look forward to partnering with your company to continue this program.
